Letter from the Director

Welcome to the summer 2013 Activity Guide. Our professional staff and I hope you are able to find an activity, program and event that will provide a benefit for yourself and/or a family member.

This Guide holds information to keep your family members busy. From swim lessons for all ages, to summer camps and activities for your young children, to regular activities for our teens, to special events for the family.

Also included are activities of our many partner agencies, like Shoreline Golf Links lessons, camps and golf opportunities; tennis instructions and play at Cuesta Park; contract classes of various educational and entertainment instructions around the city and hopefully an activity for everyone. Additionally, our swimming pools at Rengstorff and Eagle Parks will be open for daily use. Also available for reservation is our family barbeque areas at Rengstorff and Cuesta parks.

New This Year

A summer camp fair is planned on Saturday March 9th from 2-4 p.m. at the Community Center at Rengstorff Park. I encourage you to stop by and review the many planned summer program activities and options for your family.

My hope is that you will join us at the Spring Parade on April 27th, on Castro Street and at our Annual 4th of July Fireworks Show and symphony at Shoreline Amphitheater.

Enjoy one of our recreation programs this summer. Utilize one of our many parks and facilities. Visit Deer Hollow Farm and Shoreline Park. Take a run or walk along Stevens Creek Trail. Take your dog to the Dog Park. Be active this summer. Hope to see you out there.

Our staff and I are here for you. If there is a recreational activity you would like us to offer, improve or review, please do not hesitate to contact us.

Hope you have a great and safe summer!

J.P.

Aquatic Registration & Swim Lesson Guidelines

registration

- Based on American Red Cross Learn to Swim Program, each child must be the required minimum/maximum age on the first day of each session. **Unfortunately the age requirement is not negotiable.**
- For the first session your child participates in, we recommend enrollment in the last swim level completed in Summer 2012. This serves as a great refresher after almost one year out of the water.
- We strongly urge your to make sure your child is registered for the correct level. If your child is registered for the incorrect level we do not guarantee space in other levels.
- If there is an open spot in a class, the waitlist will be contacted first before allowing any other children into the class.
- To keep your child safe, registration in consecutive classes is not permitted.**

swim lesson guidelines

- Please bring a copy of your receipt on the first day of class.
- During all swim lessons, please direct all questions regarding registration and swim lessons to the Pool Supervisor.
- If your child advances to a higher swim level, transfers may only be made if: 1.) Space is available in the class/session and 2.) The certificate proving the child passed the lower level is presented at the time of the transfer.
- All transfers must be made at the Community Center. **Registrations or transfers are not accepted at the pool.**
- If your child does not attend the first day of class, you will be contacted to confirm that your child will be attending the rest of the session. If your child is no longer able to attend, the waitlist may be contacted to fill the spot.
- Financial Assistance Participants (FAP):** If your child does not attend the first day of class, your child will be automatically withdrawn. Please refer to page 2 for more FAP information.
